Use this form to request Challenge Credit. A course may be challenged with the permission of the instructional dean, department chairperson, and instructor by passing a comprehensive test for that course with a 'C' grade or better. You will be assessed 20% of the Idaho Resident Tuition for each credit acquired by either of these methods in addition to testing fees and any other tuition and fees.

NOTE: Not every course may be challenged. Check with the appropriate department chair to see if the course you wish to challenge may be challenged. Testing dates and procedures are determined by each department.
