Your application was selected for review in a process called "Verification." The College of Western Idaho must review the requested information, under the federal financial aid program rules (34 CFR, part 668). In this process, information from your FAFSA will be compared with signed copies of your 2008 federal tax forms, or other financial documents. If there are differences between your application information and your financial documents, we may need to submit corrections to your FAFSA electronically and have a new SAR (Student Aid Report) processed.

Complete this verification form and submit it to CWI One Stop Student Services as soon as possible, so that your financial aid won't be delayed. Please contact us if you have questions.

IMPORTANT:

1. Collect your 2008 financial documents including signed Federal income tax forms (1040, 1040A, 1040EZ, etc.) and W-2's from your employers.
2. Complete both sides of this form, including signature(s). **DO NOT LEAVE ANY QUESTION BLANK.**
3. Return this form, tax returns and any other documents requested to CWI One Stop Student Services.
4. CWI One Stop Student Services will compare the information on the documents and submit FAFSA corrections to the U.S. Department of Education, if necessary.
