## Business-General

### Description

If you are pursuing a career in business, the Business-General major at CWI is a great starting point. At CWI, you can earn an Associate of Arts degree and meet general education requirements to transfer to any Idaho public university. The program is designed to introduce you to the core business courses and provide skills in accounting, business decision-making, software, and communication.

### Mission

The business program develops adaptable, ethical problem-solvers who use networking and collaboration to achieve their career and business goals.

### Why This Program

Business majors are in demand. At CWI, students learn how to think, adapt, and do the things that will prepare them for business or completing a four-year business degree.

### What You Will Learn to Do

- Accounting
- Attention to detail
- Critical thinking and analysis
- Communication
- Computation

- Economic Thinking
- General legal concepts (including contracts and agency)
- Marketing
- Technology
- Problem Framing and Solving

## Clubs

### Entrepreneurs Club

The purpose of the Entrepreneurs Club is to help students better understand business and economic concepts, to inspire creativity and innovation through competition and unity, to form a business-oriented résumé, and to network with...

## Financial Aid Available

Did you know that as a student in this program you may be eligible for financial aid? Through grants, [scholarships](#) [3], and loans, more than 60 percent of first-time, full-time CWI students receive some form of financial assistance. To learn more about financial aid options and whether you may be eligible, visit [Financial Aid](#) [4].

## Tuition and Fees

Tuition for a full-time CWI student averages half the cost of a state university and a third of the cost of a private college. Tuition and fees vary based on program and residence. Visit [Tuition and Fees](#) [5] for more information.

## Advising

Navigating your way through college can be confusing, especially if you try to go it alone. CWI One Stop Student Services offers advising assistance, to help in deciding which courses you need to take to complete your educational goals. Visit [Advising](#) [6] for more information or contact [One Stop Student Services](#) [7] to schedule an appointment.

- Students are encouraged to take mathematics each semester until they complete Brief Calculus (MATH 160)
- Students should complete Information Science (BUSA 215) instead of CISA 101. This course should be taken prior to Business Statistics for Decision-Making I (BUSA 207).

## Transfer

Look beyond your degree at CWI and plan for continuing your education by working closely with CWI advising and representatives of your intended transfer school. Planning before you transfer can save you time and money. Visit [Transfer Information](#) [8] for more information or contact [One Stop Student Services](#) [7].

Faculty in the Business Program work closely with the following four-year schools to assist students with transfer:

- Boise State University
- Lewis and Clark State College
- University of Idaho
- Idaho State University
- Northwest Nazarene University
- Brigham Young University - Idaho

## Career Information

While an Associate of Arts in Business may improve the career prospects of job candidates in some fields,

the current job market places a premium on four-year degrees from accredited business colleges and universities. The College of Western Idaho has agreements in place with many of Idaho's universities to help students transfer credits and complete four-year degrees.
