The course sequence below is considered an ideal and recommended route for completion of an AA in Criminal Justice at CWI. The electives are recommended because they are thought to best support the study of Criminal Justice, but they are not required or mandated. Be sure to work with an advisor throughout your pursuit of all degrees at CWI.

**Additional Advising Comments for Criminal Justice Majors**

\* See current catalog for a list of courses that will fulfill CWI’s general education requirements.

**Footnotes:**

**1** Criminal Justice majors are encouraged to start taking math and science classes immediately rather than waiting. Take the Math Diagnostic for math placement upon acceptance to CWI. The placement test will inform the student if a review course such as MATH 095 is needed prior to entering MATH 123 (Math in Modern Society) or MATH 143 (College Algebra).

\*\*This course fulfills the Ethical Reasoning requirement for an Associate degree from CWI.

• *To ensure efficient degree planning, students who intend to transfer to a four-year institution should review the lower-division degree requirements and/or pending 2+2 degree plans of the institution they plan to attend.* •
