Your initial 2013-14 CWI Financial Aid Award notification ONLY includes student loan amounts CWI recommends for meeting the costs of your education. In many cases, these amounts are LESS than you are allowed to borrow for the year. Use this form to request federal direct student loan funding in addition to the loan amounts offered in your initial 2013-14 financial aid award notification. CWI encourages you to consider borrowing carefully and avoid student loan debt whenever possible.

NOTE: There are limits on the maximum amount in federal student loans you may receive each academic year (annual loan limits) and in your academic career (total loan limits). Annually, student loan amounts cannot exceed your total Cost of Attendance (COA) budget minus total grant, scholarship, work, and other non-loan financial assistance available to you, or the annual loan limits - whichever is less. (www.studentaid.ed.gov/types/loans/subsidized-unsubsidized#how-much-can-i-borrow)

Student loans are only available to students who attend at least half-time (6+ credits each semester), are making [satisfactory academic progress](#), are not in default on other education loans, have borrowed less than the total loan limit and have completed other requirements such as [Entrance Counseling](#) and a [Master Promissory Note](#) (MPN).
